

## About the College

Mukhtiar Singh Memorial Degree College, Behbalpur (Fatehabad) has been established in the year 2018. The College is one of the premier institutions of higher education in India. It provides opportunity for higher education to a large number of students from different economic cultural, ethnic and linguistic backgrounds as well as minority communities and backward classes (S.C., S.T. and O.B.C.) The main objective of the college is to spread education in the backward and remote areas of this region in the field of Arts, Science & Commerce. We firmly believe that the empowerment comes from economic independence and self-confidence. It is our determined endeavor to acquaint the students with 'Open for all' areas of career making with competitive examinations vis-a-vis other avenues of vocational excellence.

The College strives hard to inculcate cultural awareness, compassionate and progressive attitude, scientific insights and time-tested traditional values among the students. The College offers a conducive and serene environment to the students with its state-of-the-art infrastructure. We provide ample opportunities to the students for the 360° development of their personalities.

The technological advancement of the students is handled with proper care and the college is fully equipped with Internet and Communication technology. We are pretty sure that the students of the college with their excellent discipline, serious academic, extra and co-curricular pursuits and excellent rapport with their teachers will bring laurels for the College in the coming years and will carve a niche for themselves.
